LOK SABHA ELECTION 2024

# PREFACE

**SHRI. RAMESH VERMA, IAS**  
**Chief Election Officer**

This gives me immense pride and gratitude to present this state document reflecting the successful conduct of the Lok Sabha Elections 2024 in our state. This electoral exercise has reaffirmed our commitment to democratic values and the fundamental right of every citizen to participate in shaping our nation's future.

The smooth execution of these elections would not have been possible without the dedication and hard work of countless individuals. From election officials and volunteers to law enforcement agencies, each played a vital role in ensuring that the electoral process was conducted with integrity, transparency, and fairness. I extend my heartfelt appreciation to all who contributed their time, effort, and expertise to make this election a resounding success.

This document serves as a comprehensive account of the electoral process, highlighting the strategies implemented, statistical data and various other activities conducted during the conduct of Lok Sabha Polls 2024. It aims to provide insights for future elections and to serve as a resource for stakeholders in the democratic process. We have taken significant steps to enhance voter engagement, ensure accessibility, and uphold the highest standards of security, all of which were pivotal in fostering public confidence in the electoral system.

As we celebrate the successful culmination of the Lok Sabha Elections 2024, let us remember that our democracy is a living entity that requires constant nurturing and vigilance. I encourage all citizens to remain engaged and informed, continuing to uphold the values that underpin our great nation.

I would also like to extend my gratitude to all the Nodal Officers & Assistant Nodal officers for providing all the required support in preparing this document.

# ELECTORAL ROLL MANAGEMENT

## Pure and Error Free E-Roll- A Pre-Requisite for free and fair elections

Voter is the backbone of the electoral system. As such, the voter list or electoral roll is a crucial document in the electoral system. Importance of 'Healthy Roll for a Healthy Poll' therefore cannot be over emphasised in election management. Elections cannot be inclusive if the voter list is not inclusive. Therefore, every eligible citizen in a polling station area must be motivated and facilitated to register as an elector.

Further, the voter list must not contain duplicate/multiple entries or names of deceased or permanently shifted citizens or erroneous photo, address, relation name, age, gender, etc. The voter list should be inclusive, accurate and pure. It is therefore important to periodically analyse the electoral roll and update is comprehensively done in order to make it truly inclusive and accurate. This exercise is done annually by conducting a Special Summary Revision in the last quarter of the calendar year.

In order to make electoral roll more healthy, the Election Commission of India has introduced four qualifying dates i.e. 1st day of January, 1st day of April, 1st day of July and 1st day of October to reckon the age for electoral registration.

1 January

1 April

1 July

1 October

## Electoral Roll – Preparation

**1. House-to-house verification** is a systematic process conducted by electoral officials (BLO) to visit individual households, confirm the accuracy of existing voter information, register eligible voters not yet on the rolls, update personal details, correct inaccuracies, and ensure the completeness and integrity of the electoral register, thereby facilitating fair and transparent elections.

The House to House verification (H2H) plays a crucial role on checking the various parameters of the Electoral Roll.

During the H2H verification, the BLO visits each and every household of his respective part and verifies whether the voter belongs to the same address as mentioned in the Electoral Roll accordingly he marks the electors as Expired or Shifted.

The BLO H2H verification was done during the month of July/August 2024.

**2. The Special Summary Revision** is a type of revision of Electoral Roll under which initially draft roll is published. During this revision, claims & objections are invited. After disposal of claims & objections, final roll is published in the month of January. The Election Commission of India conducts the Special Summary Revision annually in the month of October to December.

## CEO stresses on electioneering decorum at all-party meet

BRIEFS REPRESENTATIVES OF VARIOUS PARTIES ON ELECTION PROCEDURE

THE GOAN NETWORK

**PANAJI** Goa's Chief Electoral Officer, Ramesh Verma, IAS, on Tuesday underscored the need for politicians and political parties to maintain decorum in their utterances and actions during electioneering for the upcoming Lok Sabha elections slated to be held in the State on May 7.

Verma was speaking to representatives of political parties at a meeting he had called to discuss all poll-related issues including the various platforms the Election Commission of India through his office has made available to file complaints as well as seek permissions both online and offline for campaign meetings and other events.

Verma told the political party representatives that the upper limit for expenditure by a candidate for the two Goa seats has been fixed at Rs 25 lakh.

At the all party meeting, Verma and other officials briefed the representatives on election procedure, besides the various do's and don'ts prescribed in the Model Code of Conduct (MCC). The political parties were also told that officials of CEO Goa will be on the job to track expenditure by them. Officials will also be monitoring the media to check for violations of the Code.

The parties were also put through the processes for obtaining permissions through the Suvaidya App for public

Chief Electoral Officer Ramesh Verma held a meeting with representatives of political parties on Tuesday.

meetings and rallies, besides to register complaints of MCC violations through the Cvigil application.

Meanwhile, the ECI has modified the rules governing

the casting of votes by 'absentee voters' mostly government officials who are deployed on poll duty making it now mandatory for all such votes to be cast before the general polling

day on May 7.

Also, polling agents of political parties will also be permitted to witness the process of casting ballots by these poll officials which will now be done at dedicated facilitation centers which will be set up at the Polling Officer level until two days prior to May 7 which is polling day for both the seats in Goa.

In past elections those casting the postal ballot could send their votes (ballots) by post and had time till well after the polling day an arrangement which several political parties had objected to citing that it lowers scope for inducing the government servants by the party in power at the State level.

### DGP, officer ranks appointed Designated Officers for LS polls

**PANAJI** As preparations for the Lok Sabha elections are underway, the State government has appointed the Director General of Police and all other police officers as 'Designated Officers' to ensure law and order is maintained, and the smooth conduct of the polls.

A notification issued by the Home Department states the order will remain in force till the completion of the election process.

"In exercise of powers conferred by Section 26 A of the Representation of People Act, 1951, the Government of Goa designates DGP and all Police Officers functioning in the North Goa and South Goa Parliamentary Constituencies, including the officers and personnel of Central Police forces deployed for Election in the State, as 'Designated Officers' till the completion of the election process. All such

officers shall be subject to the control, superintendence and discipline of the Election Commission of India, New Delhi," reads the notification.

Meanwhile, with the enforcement of the Code of Conduct, the North Goa District Magistrate has imposed a complete ban on the carrying of all types of arms, firearms and lethal weapons within the jurisdiction to ensure a free, fair, peaceful and orderly conduct of the election process.

The order also aims at preventing any sort of obstructions, annoyance, or injury to any person lawfully employed or for conduct of election to prevent any danger to human life or safety or disturbance of public tranquillity or riot of any affray during the electioneering period.

## 'Breaking' the election code: CEO says suo moto action to follow

GOVT SUSPENDS SWAYAMPURNA GOA PROGRAMMES

THE GOAN NETWORK

**PANAJI**

The office of the Chief Electoral Officer (CEO) Goa is closely monitoring poll-related activity in the State and does have a mechanism by which suo moto action is initiated in cases where the violation is "serious" and "blatant".

A highly placed source at the CEO's office told The Goan that officers from within the law and order machinery in the State, including executive and sub-divisional magistrates have been assigned area-specific responsibilities.

### I-T dept sets up 24x7 control room

**PANAJI:** With the Lok Sabha polls on the horizon, the Income Tax Department, Panaji, has taken proactive steps to safeguard the integrity of the electoral process. A dedicated control room has been established, operating round the clock until the elections conclude.

The primary aim of the control room is to address any concerns regarding the distribution of cash, freebies, or inducements by individuals or political entities. The department urges

"To take up violations of the Model Code of Conduct (MCC) suo moto whenever such vi-

olations do take place these officials will confabulate with the poll observers appointed

by the ECI and proceed," the official said.

The MCC restricts governments from taking any fresh welfare initiative or any decision on policy matters until the elections are over.

Bureaucrats are also restrained from taking any major decisions or actions which could vitiate the level-playing field for the elections and when serious violations occur at the behest of the State government and its bureaucrats, the matter is acted upon directly by the CEO and his team

## History of Voting Systems

**Universal Adult Franchise (1950):** Voting rights extended to all adult citizens irrespective of gender, religion, caste, or creed.

**First General Elections (1952):** Inaugurated democratic elections, engaging over 176 million voters.

**Paper Ballots Era:** Initial voting was conducted via paper ballots, with manual counting.

**Establishment of ECI (1950):** Formation of Election Commission to ensure fair elections.

**Introduction of EVMs (1982):** EVMs trialed in Kerala, were gradually adopted nationwide for efficiency and transparency.

**Expansion of Electoral Process:** Encompassing elections at all levels: local, state, and national.

**International Recognition:** Global acknowledgment of India's robust democratic processes.

**Addressing Challenges:** Ongoing reforms to enhance voter participation and curb malpractices.

Voting system in India has gone through multiple changes. Before introduction of the EVM, the ubiquitous Ballot Papers were used to cast votes in the Indian Elections, with considerable success. The use of ballot papers was time consuming, prone to malpractices like booth-capturing and ballot box stuffing, large number of invalid votes due to wrong/incorrect marking, subject to prolonged counting drills, more disputes and delayed result announcement besides being an ecologically straining and environmentally unfriendly method.

The Commission has been at the forefront of embracing, adopting and implementing the latest technological advancements in improving and fine-tuning the election processes and systems. The Commission has taken the pioneering initiative of introducing Electronic Voting Machine (EVM) for recording, storing and counting of votes across the length and breadth of the Country in a transparent, credible and secure manner, backed by appropriate legal support. The use of EVM demonstrates the Commission's unflinching resolve to continually improve, upgrade and strengthen the Electoral Process in the Country.

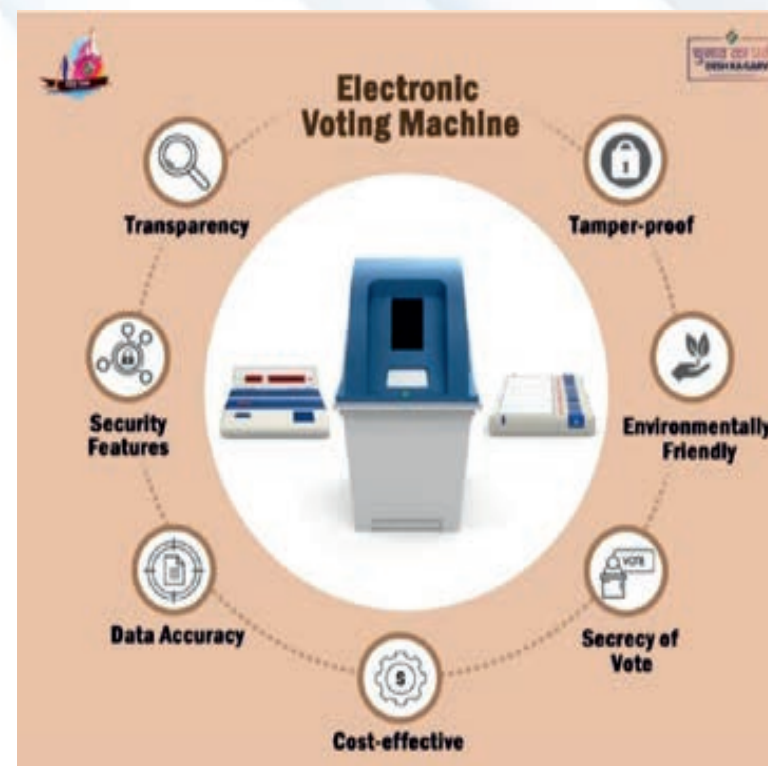

Voter Verifiable Paper Audit Trail System (VVPAT) was introduced in 2013 to provide even greater transparency to the poll process. The VVPAT is an additional unit attached to the EVM, which prints a small slip of paper that carries the symbol, name and serial number of the candidate voted by Voter, which is visible for about 7 (seven) seconds in the viewing window. The voter after pressing the button on BU can view the printed slip on VVPAT through the viewing window and thus can verify that the vote is recorded for the Candidate of his/her choice. The printing of slip in VVPAT is an additional verification to the voter, besides glowing of LED near candidate button and the beep in EVM system.

### **EVM safety and security features**

The EVM and VVPAT machines are non-tamperable, both due to technological measure, and also due to strict administrative and security procedures laid out by ECI, whereby no access to EVM/VVPAT is allowed to any unauthorized person. Hence, these are protected from any tampering/manipulation whether before the polls, or during the polls, or after the polls, in storage or transportation from manufacturer to the State/District or vice versa, or when transported from one State to another.

The EVM used by the Commission is a stand-alone non-networked, one time programmable (OTP) machine, which is neither computer controlled, nor connected to the internet or any network; and hence, cannot be 'Hacked'.

The Commission has put in place an elaborate administrative system of security measures and procedural checks-and-balances aimed at prevention of any possible misuse or procedural lapses. These safeguards are implemented by ECI transparently with the active and documented involvement of political parties, Candidates and their representatives at every stage, so as to build their confidence on efficacy and reliability of EVMs. All these functions and procedures are implemented through the District Election Officers (DEOs), Returning Officers (ROs), Assistant Returning Officers (AROs) and other officers and officials of the State Government concerned, who are on deemed deputation to the ECI and are under its superintendence, direction and control in so far as election related duties are concerned.

### Allocation/ shifting of BEL M3 EVM and VVPAT

The Commission by vide letter no. 51/8/Allocation/2022-EMS dated 3rd May, 2023 approved and allocated newly manufactured following units to the State:

#### Quantity of units and Make

State	BU	CU	Make	VVPAT	Make
Goa	200	200	BLE M3 (New Production 2023)	200	BLE M3 (Post 2018)

The Office vide letter no. 5-4-2022/ELEC/2/226 dated 08/05/2023 has provided the following District wise distribution of newly allocated EVM and VVPAT.

District	BU	CU	VVPAT
North Goa	0	120	200
South Goa	200	80	0
<b>Total</b>	<b>200</b>	<b>200</b>	<b>200</b>

The UAT of newly manufactured EVM allocated by the commission has been duly conducted on 22nd August, 2023 in the presence of authorized Engineers of BEL. No rejection found during the UAT.

### National Level FLC Workshop

A National Level First Level Checking (FLC) workshop for DEOs, ROs and ARO was conducted on 09/09/2023 in the presence of Shri Rakesh Kumar, Under Secretary, ECI and Nodal Officer (EVM)/ Joint CEO, Odisha. The ROs and AROs were trained on FLC procedures as well as Hands on training on EVM & VVPAT by Engineer deputed by BEL.

### First Level Checking of EVMs/VVPATs

Before every election, a first level checking (FLC) is done for every EVM and VVPAT to be used in the election by the engineers of the manufacturers in the presence of political parties' representatives. The entire FLC process is carried out at the District level under the supervision of the DEO concerned. Any malfunctioning EVM i.e. EVM either not switching on or not displaying results etc., is kept separately and is not used in the election.

### Overall responsibility of FLC

- District Election Officer (DEO) is responsible for overall FLC process.
- For General Elections to the Parliamentary and Assembly Constituency, the requirement of EVMs (Ballot Units and Control Units) and VVPATs for conducting FLC shall be 125% and 135% respectively of the number of polling stations or as allocated by the Commission considering geographical or past experiences.
- FLC is conducted at least P-120 days in case of General Election to State Legislative Assembly or as instructed by the Commission.
- FLC is conducted at least P-180-days in case of General Election to Lok Sabha or as instructed by the Commission.

In Goa FLC has been duly conducted on 04/10/2023 to 13/10/2023 by both the District Election Officers with the help of authorized Engineers appointed by BEL in the presence of political parties by following the SOP issued by Commission. The DEO south conducted FLC in the Old Collectorate Building, Margao and DEO North conducted FLC at Govt. Polytechnic, Gymkhana, Altinho, Panaji

Name of District	Units available in the District			FLC Ok Quantity			FLC Rejected Quantity		
	BU	CU	VT	BU	CU	VT	BU	CU	VT
North Goa	1857	1235	1329	1699	1156	1134	158	79	195
South Goa	1767	1330	1448	1680	1170	1311	87	16	137
<b>TOTAL</b>	<b>3624</b>	<b>2565</b>	<b>2777</b>	<b>3379</b>	<b>2326</b>	<b>2445</b>	<b>245</b>	<b>95</b>	<b>332</b>

Upon the completion of FLC, Non-functional (FLC rejected) EVMs & VVPATs have been duly transported to Manufacturer, Bharat Electronics LTD, Bengaluru under proper security protocol.

### First Randomizations of EVMs/VVPATs

The EVMs are randomized twice by EVM Management System (developed by ECI), once for allocation of machines to Assembly Constituencies and second to polling stations in the presence of candidates or their representatives before they are distributed for use in individual polling stations. The randomization is carried out through EVM Management System (EMS) by the DEO in the presence of the representatives of political parties/candidates and Central Observers deputed by the ECI for complete transparency. The lists of EVM containing serial number of EVM randomly allocated to the Constituency and then to particular polling station are provided to the political parties/candidates.

The First Randomization has been completed on EMS software by DEO North on 08/04/2024 and DEO South on 03/04/2024 in the presence of political parties. Upon the First Randomization the units were allocated to the Assembly Segment wise and list was duly furnished to the political parties.

### Second Randomizations of EVMs/VVPATs

In Second Randomization, the machines are randomly allocated to each polling stations of the Assembly Segment to ensure more transparency. The Second randomization is carried out through EVM Management System (EMS) by the DEO in the presence of the representatives of political parties/candidates and Central Observers deputed by the ECI for complete transparency.

The second Randomization has been duly conducted by DEO North on 21/04/2024 and by DEO-South Goa on 25/04/2024 in the presence of the representatives of political parties/candidates and Central Observers. The list of EVM and VVPAT allocated to each of the polling stations Assembly Segment wise has been duly furnished to the political parties and acknowledgement obtained.

## Commissioning of EVMs/VVPATs

Before the use of EVM and VVPAT for the poll, all the units are Commissioned by the Assistant Returning Officers Assembly Segment wise. During the process of Candidate setting on the EVMs, Ballot paper is fixed on the Ballot Unit and the EVMs are prepared for the number of Candidates in fray in a particular Constituency.

The arrangement of names in the ballot paper is in alphabetical order, first for the National & State Recognized parties, followed by the other State Registered Parties, and then by Independents. Thus, the sequence in which the candidates appear on the Ballot Unit is contingent on the names of the candidates and their party affiliation and cannot be ascertained beforehand.

Once the candidate setting is done, the Ballot Unit of the EVM is also sealed with thread/Pink Paper seals so that nobody has access to the inside of the Ballot Unit too. These Pink seals also bear signatures of representatives of political parties/candidates. During the time of EVM preparation and Candidate setting a mock poll of 1000 votes on 5% randomly selected EVM and VVPAT is conducted.

The Commissioning of EVM & VVPAT of 01-North Goa PC and 02-South Goa PC has been carried out on 28/04/2024 to 29/04/2024 in the presence of the representatives of political parties/candidates and Central Observers in the presence of the representatives of political parties/candidates and Central Observers.

## Supplementary Randomization and Commissioning of EVM & VVPAT

During the Commissioning of EVM & VVPAT there was high percentage of non-functional EVM and VVPAT as a result the 20% reserve stock of machines was not available to tackle the replacement during poll. Hence both the ROs requested for conduct of supplementary randomization and Commissioning of EVM & VVPAT by re-introducing the EVM & VVPAT marked for training and awareness purpose. The supplementary FLC, Randomizations and Commissioning of EVM & VVPAT has been duly carried out by RO of 1-North Goa PC on 02/05/2024, 03/05/2024 & 05/05/2024 with the help of authorized engineers of BEL, in the presence of contesting candidates and by 02-South Goa PC on 04/05/2024 & 05/05/2024 with the help of authorized engineers of BEL, in the presence of contesting candidates. The copy of supplementary FLC, Randomizations and Commissioning of EVM & VVPAT has been duly submitted to contesting candidates and acknowledgement received.

### Status of EVM & VVPAT for use on poll day

During the Commissioning of EVM & VVPAT there was high percentage of non-functional EVM and VVPAT as a result the 20% reserve stock of machines was not available to tackle the replacement during poll. Hence both the ROs requested for conduct of supplementary randomization and Commissioning of EVM & VVPAT by re-introducing the EVM & VVPAT marked for training and awareness purpose. The supplementary FLC, Randomizations and Commissioning of EVM & VVPAT has been duly carried out by RO of 1-North Goa PC on 02/05/2024, 03/05/2024 & 05/05/2024 with the help of authorized engineers of BEL, in the presence of contesting candidates and by 02-South Goa PC on 04/05/2024 & 05/05/2024 with the help of authorized engineers of BEL, in the presence of contesting candidates. The copy of supplementary FLC, Randomizations and Commissioning of EVM & VVPAT has been duly submitted to contesting candidates and acknowledgement received.

## EVM Management System (EMS)

The Commission has introduced an EMS as a modern inventory management system where the identity and physical location of all EVMs/VVPATs is tracked on real time basis by the Election Commission of India and any movement of these machines ordered by ECI has to mandatorily be through this system. Allotment and Randomization is also done only through EMS.

## GPS Tracking System

All the EVM & VVPAT are transported from warehouse to the ARO strong room and from strong room to the polling station and back to the strong room of polled EVM in a vehicle with GPS tracking system.

## Inspections of EVM warehouse by CEO/DEO/Joint CEO

As per the Commission instruction Monthly inspection of the sealed warehouse is conducted by DEO and quarterly inspection of checking the warehouse for its internal condition in the presence of National and State Recognized political parties is done by Chief Electoral Officer along with District Election Officer. The time stamping along with GPS location is printed on the photograph while inspecting the warehouse.

Officer	Minimum Frequency	Remarks
Chief Electoral Officer	One EVM Warehouse per Quarter in the State	Inspection date should coincide with concerned DEO's Quarterly inspection date. CEO should countersign the report.
EVM State Nodal Officer	One EVM Warehouse per month in the State	Inspection date should coincide with concerned DEO's Monthly inspection date. SNO should countersign the report.

## Strong Room of polled EVM & VVPAT

- The Strong Room of polled EVM of 01-North PC is Multipurpose Cyclone Shelter, Altinho, Panaji.
- The Strong Room of Polled EVM of 02-South PC is Shree Damodar College of Commerce, Comba, Margao.

# TRAINING MANAGEMENT

The Lok Sabha Elections of 2024 marked a significant milestone in India's democratic process, engaging millions of voters and requiring meticulous planning and execution. Central to the success of these elections was the effective training management of election personnel by the Officer of Chief Electoral Officer, Altinho Goa across various roles and responsibilities. This comprehensive report aims to provide an overview of the training management efforts undertaken for the Lok Sabha Elections, 2024, highlighting key strategies, challenges, and outcomes.

## 1. Introduction:

The Lok Sabha Elections, held in 2024, encompassed a vast and diverse electoral landscape, requiring extensive training initiatives to equip election personnel with the necessary skills and knowledge to fulfill their duties effectively. The training management process played a crucial role in ensuring the smooth conduct of elections and upholding the integrity of the electoral process.

## 2. Training Needs Assessment:

Prior to the commencement of training activities, a thorough needs assessment was conducted to identify the specific training requirements of election personnel starting from 27/03/2023. This assessment encompassed various aspects, including:

- Guidelines of ECI regarding required number of SLMTs
- Roles and responsibilities of election officials.
- Election procedures and protocols.
- Use of technology in electoral processes.
- Security and safety measures.
- Voter education and awareness.

### **3. Training Program Design:**

Based on the findings of the needs assessment, a comprehensive training program was designed to address the identified learning objectives. The training curriculum was tailored to cater to the diverse needs of election personnel, incorporating both theoretical knowledge and practical skills development. Key components of the training program included:

- Classroom sessions conducted by subject matter experts.
- Hands-on training on software, EVM, Demo portals, etc
- Use of e-learning modules for remote training.
- Interactive workshops and group discussions.
- Role-playing scenarios to simulate real-life election situations.

### **4. Implementation:**

The implementation phase involved the rollout of training initiatives across various levels of election administration, including:

- Training of Nodal Officer, DEO/ROs, AROs, Sector Officers, Polling Personnel, including presiding officers, polling officers, and polling assistants, Police Personnel, Assembly Level Master Trainers, Sector Officers, Flying Squad Teams, Static Surveillance Teams, Video Surveillance Teams, Video Viewing Teams, Micro Observers, Micro Observers for Absentee Voters, Counting Staff, etc
- Capacity building of electoral officers and supervisory personnel.
- Training of security personnel to ensure the safety and security of polling stations.
- Voter education and awareness campaigns targeting citizens and stakeholders.

### **5. Monitoring and Evaluation:**

A robust monitoring and evaluation framework was established under the guidance of IIIDEM (ECI) to assess the effectiveness and impact of training programs. Regular feedback mechanisms were implemented to solicit input from participants and stakeholders, enabling continuous improvement of training initiatives.

## 6. Challenges and Lessons Learned

Despite meticulous planning, the training management process encountered several challenges, including logistical constraints, resource limitations, and unforeseen disruptions. However, these challenges were mitigated through proactive measures and adaptive strategies. Key lessons learned from the training management experience include the importance of:

- Flexibility and adaptability in response to evolving circumstances.
- Collaborative partnerships with stakeholders and external agencies.
- Utilization of technology for remote training and knowledge dissemination.
- Continuous learning and improvement through feedback mechanisms.

## 7. Conclusion

The successful management of training initiatives for the Lok Sabha Elections, 2024 by the office of Chief Electoral Officer, Goa, underscores the importance of effective preparation and coordination in ensuring the integrity and credibility of the electoral process.

By investing in comprehensive training programs and capacity-building efforts, election authorities can enhance the professionalism and efficiency of election personnel, thereby strengthening the foundations of democracy.

### **Stage-1 of Official Training**

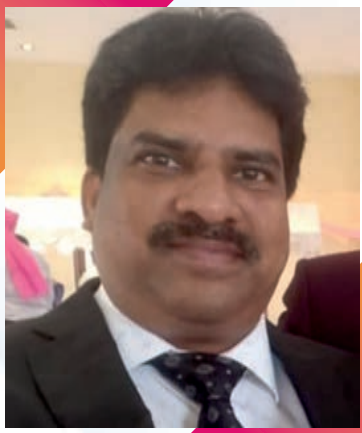

encompassing the five themes outlined by IIIDEM-ECI, commenced on June 12th, 2023, with the engagement of NLMTs from IIIDEM in Goa.

## ELECTION EXPENDITURE MONITORING

It has been the endeavour of ECI that the level playing fields for all stake holders, including candidates and political parties is not disturbed and the electoral process is not allowed to be vitiated by any means including misuse of money power. The Election Commission vowed to respond to the emerging challenges in overall election management, faced with increasing threat from those who were hell bent on distorting the mandate of the electors and as such adopted a structured mechanism to facilitate and monitor election expenditure.

While curbing the menace of money and muscle power, ECI ensures that the general public does not face any inconvenience. In fact, all efforts are made to ensure that the common man on the ground is sensitized to become a stakeholder in aiding and assisting the ECI mechanism in combating the menace of bribery of voters and other corrupt practices polluting the electoral system.

The election expenditure is broadly divided into two categories. The first category of election expenditure is the legal expenditure, which is allowed under the law for electioneering, subject to it being within the permissible limit. This would include expenditure connected with campaigning, which is spent on public meetings, public rallies, posters, banners, vehicles, advertisement in print and electronic media etc.

The second category for election expenditure is on items which are not permitted under the law, for example distribution of money, liquor or any other item disbursed and given to electoral with the intent to influence them. This expenditure comes under the definition of “bribery” which is an offence both under the IPC and under R.P. Act, 1951. The expenditure on such items is illegal. Yet another form of expenditure which is coming to the fore in recent times is on surrogate Advertisements, Paid News and Social Media etc.

Section 77(1) of the Representation of the People Act, 1951 makes it mandatory for every candidate to the House of the people or a State Legislative Assembly, to keep a separate and correct account of all expenditure incurred or authorized by him or by his election agent, between the date on which he was nominated and the date of declaration of the result of election, both dates inclusive. The total of the said expenditure shall not exceed Rs. 75 lakhs as far as Goa state is concerned. The candidate has to submit his expenditure details within 30 days from the date of result/counting.

All such expenditure of candidates and political parties is maintained by Accounting Team in a Shadow Observation Register and the candidates are accountable for such expenditure made by them or their election Agent. This accounting team is working under the supervision of Assistant Expenditure Observer which in turn functions as per the directions of Expenditure Observer.

Upon announcement of elections, Flying Squad Teams, Static Surveillance Teams, Asst. Expenditure observers, Video surveillance teams, video viewing teams, Accounting Teams, were deployed in both the parliamentary constituencies. The Flying squad attended to all the cases/complaints of MCC violations and SST were stationed at different strategic location to intercept illegal movement of Cash, Liquor, Drugs, Precious Metal, Freebies etc.

For monitoring the day to day election expenditure incurred by the candidates, election expenditure mechanism was put in place in both the parliamentary constituencies. The returning officers and other enforcement agencies were directed to keep a strict vigil 24x7 on movement of cash and other items which can influence the voters.

The Election Commission of India has introduced an app known as Election Seizure Management System (ESMS) Portal for reporting the interception and seizures on a mobile app. The said app allows the enforcement agencies i.e. District Nodal Officer and State Nodal Officer of respective department to intercept and seize illegal movement of cash, or other items. However, the SSTs and FSTs can only intercept and once the intercepted item is entered in the app the concerned State Nodal Agency or District Nodal Agency can seize the item which is accessible to the ECI, CEO, State Nodal Agencies and enforcement agencies.

The various enforcement agencies are on boarded on C-vigil ESMS Portal such as Police Department, Excise Department, State Commercial Tax Department, Income Tax Department, Narcotics Control Bureau (NCB), Railway Police Force, Goa Customs Department, Forest Department, Revenue Intelligence Department, Transport Department Flying Squad (FS), Static Surveillance Team (SST) etc. This ESMS app provided for rectification of errors at CEO level on written request of enforcement agencies.

## Election Seizure Management System

### **Introduction to ESMS Portal:**

- Election Commission of India introduced ESMS Portal.
- Main objectives:
  - a. Digitize data for intercepted/seized items directly from the field through Mobile App.

Rajasthan-based I Singh having suspicious links in Goa was noted. The accused was located in the Candolim area, and once physically identified, a discreet round-the-clock surveillance was mounted upon him, said the NCB.

On March 27, on confirmation about possession of drugs in bulk quantity, the NCB-Goa team intercepted him and recovered 532g methamphetamine. A vehicle used for drug deliveries was also seized.

During the investigation,

an associate, R Singh, who provided the logistical support, was apprehended, said the NCB.

I Singh had returned to India last year after working abroad. As stated in a voluntary statement, he was in need of quick money and was convinced that he could earn it through the illicit drug business, said NCB. He motivated his friend R Singh based in Goa. I Singh plotted the scheme to procure and supply drugs with the help of R Singh, said the NCB.

## Goa poised for record poll inducement seizures

Staff Reporter

Stepped up monitoring by the state's enforcement agencies has led to Goa trending for its highest ever seizures of poll inducements in the forthcoming Lok Sabha elections on May 7, according to the Election Commission of India (ECI).

State-wise information of election seizures shared by the ECI on Monday, reveals that, total seizures in Goa, from March 1 to April 13, amounted to Rs 26.2 crore, of which Rs 15.6 crore is by way of cash, Rs 2.3 crore from liquor seizures, Rs 3.2 crore from drugs, Rs 3.8 crore from precious metals, and freedom raised at Rs 1.3 crore.

Competitively in Lok Sabha 2019 elections, the seizures in the state

SEIZURES FROM MARCH 1 TO APRIL 13	
Seizure Type	Amount Recovered
Cash	15.6
Liquor	2.3
Drugs	3.2
Precious Metals	3.8
Freedom	1.3
<b>Total</b>	<b>26.2</b>

were valued at only Rs 11 crore, according to past information disclosed by the ECI.

Goa's high seizures are in line with the all-India trend where a record Rs 4400 crore, so far has been seized across 36 states and union territories.

Among states the highest seizures are from Rajasthan (Rs 778 crore), Gujarat (Rs 565 crore), Tamil Nadu (Rs 460 crore) and Maharashtra (Rs 421 crore).

According to the ECI, the

statewide seizures totalled Rs 7,982 crore, in form of cash, liquor, drugs, and precious metals.

Further, the Election System Management System (ESMS), implemented this election has brought all enforcement agencies on one platform through use of technology. The ESMS allows real time reporting of interceptions and seizures, and enables digitisation of seizures. The portal facilitates digital trails and availability of seizure information at the click of a mouse enabling quick and timely reviews at all controlling levels.

The focus of seizures in the elections this year is on drugs and narcotics which can be used to influence elections and on account of drugs pose a serious social menace to human youth.

## Seizures rise to ₹17 crore as model code in force in state

Staff Reporter  
Panaji

Seizures as the model code of conduct (MCC) is in force in the state increased to Rs 17 crore from Rs 16 crore previously.

The seizures are by seven department, including the Narcotics Control Bureau, the Railway Protection Police, Goa Customs, Income Tax Department, Excise Department, Goa Police, and the Commercial Tax Department. The highest seizures are by the Income Tax Department which collected Rs 7.6 crore.

## Poll code nets illicit goods worth ₹15 cr in 1 month

**CASH SEIZURE AMOUNTS TO ₹4.42 CRORE**

THE GOAN NETWORK

### PANAJI

The month-old code of conduct has fetched the authorities numerous illicit material including cash, liquor, precious metals and even freebies amounting to an astonishing Rs 15.04 crore.

Cash seizures dominate this figure, tallying up to Rs 4.42 crore, closely followed by 'precious metals' valued at over Rs 3 crore with a similar amount in seized liquor.

While these figures cover the period from March 16 to April 15, subsequent seizures were reported thereafter.

The most prominent ones involve cash raids by the Income Tax, although authorities have remained tight-lipped regarding the origins and sources of these seized funds.

The two major raids by the Narcotics Control Bureau (NCB) also caught the attention of the election officials,

### CODE VIOLATION: BIG CATCH

- Most prominent among the seizure is cash raids by Income Tax officials
- Narcotics worth Rs 1.13 cr seized by NCB sleuths
- Liquor seizures amount to Rs 3.05 cr up to April 18
- Other illicit material include precious metals and freebies

one of which resulted in the arrest of a British national Jason I for illegal cannabis cultivation at his Socero residence. Two others from Rajasthan were arrested with 532 grams of Methamphetamine during a raid in Candolim. Raids by Goa Police have led to seizures of Rs 2.33 lakh worth of narcotics during this period.

Exclusive details with The Goan further reveal that miscellaneous items, including a mobile phone confiscated by the Goa Police and 62,158 unidentified items seized by the Commercial Tax Department, contribute about a small portion of the total haul, estimated to be worth around Rs 1.13

crore.

The Goan, in its Saturday edition, reported liquor seizures amounting to Rs 3.05 crore until April 18.

Chief Electoral Officer Ramesh Verma, at a recent media interaction, had stated that the Election Commission of India has deployed a sufficient number of officials from various law enforcement agencies with directions to maintain strict vigilance and enforce the rule of law to prevent any untoward incidents or electoral malpractices.

The officials are also asked to prevent and report to the CEO fraud or corruption

### MECHANISM IN PLACE

» State to have 1,725 polling stations - 863 in North Goa & 862 in South Goa

» Out of these, 229 to be model polling stations

» 1,419 polling stations to have water, electricity, ramp facility, shadow area and coolers

» Refreshments to be provided in the time-frame of 9 am to 4 pm

» Four election visitors and 17 journalists from different nations to visit Goa to witness the elections

» 31 complaints of poll code violation received of which three are pending

PANJIM: Goa Chief Electoral Officer (CEO) Ramesh Verma on Sunday said that the election machinery is totally geared up for conducting free and fair elections on Tuesday, May 7.

Addressing a press conference, Verma said, "We have 1,725 polling stations - 863 in North Goa and 862 in South Goa district. Out of these polling stations, we have 229 model polling stations."

He said, "At 1,419 polling stations, we will be providing all the basic fa-

cilities like water, electricity, ramp facility, shadow area, coolers. Refreshments will be provided in the time-frame of 9 am to 4 pm."

He said this year the

target is to ensure at least 80 per cent voting as compared to previous elections when 75 per cent of polling was recorded.

Lok Sabha 2014 elections in the state saw record seizures from March 16 till date, the office of the election commission said on Wednesday.

At Rs 17.8 crore, the total seizures this election were 55 per cent higher than during the 2019 Lok Sabha elections and 40 per cent higher than the 2022 state assembly elections.

Of the Rs 17.8 crore worth of seizures, the highest was Rs 7.6 crore from the income tax department, followed by Rs 3.57 crore from the police department.

Seizures made by Goa Police comprised cash, liquor, drugs, and freebies.

■ Of the Rs 17.8 crore worth of seizures, the highest was Rs 7.6 crore from the income tax department followed by Rs 3.57 crore from the police department.

The commercial tax department confiscated Rs 1.6 crore worth of goods suspected to be used as freebies.

In all, seven enforcement agencies were involved in the monitoring of cash, liquor, goods, and narcotics that could be used to lure voters.

The Goa customs department seized negligible quantities of precious metals and freebies, while the NCB nabbed Rs 0.5 crore worth of methamphetamine, cannabis, and ganga being sold in the state.

## GOA ALL SET TO HOLD FREE AND FAIR ELECTIONS: CEO

"We tried our best to sort out the problem. We are hopeful that we will not get boycott calls," he said. He was replying to a question related to a boycott call given by some of the villagers. He said, "It is like a festival. We are trying our best to provide the facilities to local people because we have to select a team for our nation. We have informed both the district teams that whatever issues are pending, if it is sorted then it is okay, if not then they can be tackled after elections."

Verma said this time four election visitors and 17 journalists from different nations are visiting Goa to witness the election process.

"In Goa, two visitors are coming from Bhutan and two from Mongolia. Besides, 17 mediapersons are visiting the State. Out of them, 15 are from Bhutan and two from Israel. They are coming to witness the election process. They will visit polling stations in both the districts," he said.

Verma said after the Model Code of Conduct came into force, a total of 31 complaints of violation of Election Code of Conduct were received by the State Election Office out of which 28 were sorted out and three are pending.

Inspector General of Police (IGP) Omvir Singh Bishnoi has assured the people of the State that this election will be held in a free, fair and friendly manner.

"Compared to previous elections, we have increased the number of sector police officers. On 6-7 sector police officers, there will be a sector supporting police officers. Above them zonal police officers will be deployed who will be of SP rank. We have made a fool-proof security arrangement for the elections. However, as per the Election Commission of India's (ECI) direction, voters are requested not to bring electronic items like cell phones."

North Goa Collector Dr SnehaGitte informed that there were 863 polling stations spread in 20 Assembly segments of North Goa Parliamentary constituency. Out of this, 20 were pink polling booths, one in each Assembly constituency, 40 green polling booths, two in each Assembly constituency, 43 model polling stations, two unique polling stations and one youth polling station. The new initiative will be the green highway initiative at Warkhand junction in Pernemtaluka.

Dr Gitte appealed to all the voters that after they cast their votes they make their contribution by planting a tree at this place. Two unique polling stations in North Goa include the old GMC building at Ribandar and an island at Cubharjua, which caters to less than 150 voters.

South Goa Collector AsvinChandru A said, "We have 862 polling stations in South Goa where 5,160 polling personnel will be deployed. Out of this 40 are green, 20 are pink, one

## LAW AND ORDER MANAGEMENT

The Commission is well aware of the existence of money and muscle power and its impact on election process. It has always been the endeavor of the Commission to take a number of strict enforcement measures over and above the purview of normal law and order arrangements, for amplifying the efforts and strengthen administrative systems for peaceful, free, fair and transparent elections. To ensure Free and Fair elections it is of paramount importance that the area where elections are conducted is peaceful so that voters can exercise their franchise without any fear or inducement. The Election Commission of India starts monitoring Law and Order situation much before the poll dates are announced. It emphasizes on compiling data of persons indulged in electoral offences, serving of pending warrants, depositing of arms in police stations, initiating security proceedings against persons disturbing public peace, etc.

### **Vulnerability Mapping**

The exercise of Vulnerability Mapping (VM) was undertaken with the objective of clearly identifying in advance, such voters or section of voters who are likely to be "vulnerable", the persons or other factors causing such vulnerability and taking adequate corrective measures well in advance on the basis of such identification. To promote all encompassing election, vulnerable areas and electors were mapped before election. These vulnerable areas were secured with extra paramilitary forces, confidence building measures and voter awareness campaigns were carried out in these areas. To defuse vulnerability to any group, trouble makers were kept under preventive detention and licensed weapons were ordered to be surrendered during the conduct of election. Widespread monitoring of cash and liquor flow was done.

## Over 215 history-sheeters under police watch

### Precautionary measure taken in view of Lok Sabha elections

Amresh Parab  
Panaji

In an attempt to ensure an incident-free conduct of the upcoming Lok Sabha elections, the Goa police have heightened their watch on more than 215 history-sheeters.

The police have stepped up surveillance on the activities of the history-sheeters, who are being called to police stations and warned against creating any kind of law

The Goa police have started conducting area domination, flag march exercises as part of the security measures for smooth conduct of the Lok Sabha polls.

and order situation during the parliamentary polls.

South Goa superintendent of police Sunita Sawant said that anti-social elements could possibly intimidate or threaten voters, adding that such necessary action is being initiated under the law.

"The Goa police are committed to ensuring free, fair and incident-free Lok Sabha polls, for which elaborate security arrangement is being made," Sawant said.

In North Goa, there are

over 120 history-sheeters while there are 95 in South Goa. More names could be added to the list, the police said.

Besides the history-sheeters, action is also being initiated against those involved in crimes under the relevant provisions of the Code of Criminal Procedure (CrPC) so as to prevent them from committing crimes, a police officer said.

## 'Elaborate security arrangements made for incident-free LS polls'

Staff Reporter  
Panaji

Director General of Police (DGP) Jaspal Singh has said that elaborate security arrangements have been made for incident-free Lok Sabha polls on May 7.

He said that various measures have been taken by the police in view of the elections. "In terms of security, all the arrangements have been made throughout the state," said Singh.

He said that flag marches are being held at various locations in the state.

Singh said that police staff are part of flying squads as well as the static surveillance teams (SST) to ensure that there is no violation of model code of conduct.

He said that all the border check-posts are CCTV-enabled and added that there are SST points apart from the regular border check-posts and they are on alert.

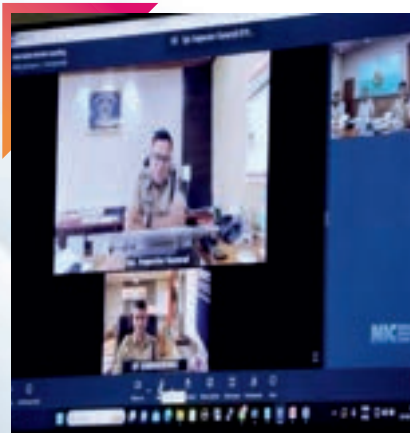

In sensitive areas, flag marches are conducted with the help of central armed police forces.

Police personnel have been briefed, he said, adding that along with Goa police personnel, the central armed police force also will be deployed at critical polling stations.

According to the information, 13 companies of central armed police forces are in Goa in view of Lok Sabha polls while 12 companies of the Goa Armed Police are deployed in other states in view of the elections.

Depending upon the past history and latest information available about the electioneering in constituencies, Expenditure sensitive constituencies, Critical/Hyper Sensitive Polling Booths and vulnerable places/hamlets were identified by enforcement agencies/Police Officers. On the basis of sensitivity of the locations, round the clock QRT vehicles consisting of local police and CAPF staff were deployed in shifts on pre-poll and poll day for patrolling in designated sensitive areas to attend any election related violation or any other exigency, as the first responders. The Election Commission of India sanctioned 14 companies (CAPF COYS) for maintenance of Law and Order and polling station deployment. These companies arrived well before the date of polling and they were effectively utilized for area domination exercises, check-posts checkings, etc.

### **Deposit of Licensed Arms**

Immediately after the announcement of elections, District Magistrates made a detailed and individual review and assessment of all license holders to ensure maintenance of law and order and conduct of free and fair elections. The cases of Arms license of persons released on bail, Arms license of persons having a history of criminal offences, and Arms license of persons previously involved in rioting at any time but especially during the election period, Arms license of persons involved in election offences of any kind; Both the District Magistrates scrupulously followed the procedure for review and assessment of all license holders as laid down by the Hon'ble High Court of Bombay in CWP No.835 of 2009 (Sh Govind Vs. Vikram Kumar, Distt Magistrate & Others) vide order dated 10th July 2009 and accordingly the Screening Committee consisting of the District Magistrate and the Superintendent of Police was set up in both the districts. Accordingly, the exercises of deposition of the non exempted category took place smoothly.

### **Ban on carrying of Licensed Arms**

Prohibitory orders under section 144 of the Criminal Procedure Code, 1973 were issued by both the District Magistrates which ban carrying of licensed arms as soon as the election was announced and such ban was made effective till the declaration of results.

### **Seizure of Unlicensed Arms and Ammunations**

A very thorough search and seizure by the State Police of unlicensed arms were carried out and persons involved were dealt with according to the legal provisions. While unearthing and seizure of unlicensed weapons is a normal ongoing responsibility of the police, it was vigorously intensified during the election period. Inter-State and Intra-State movements of trucks and commercial vehicles were strictly checked with a view to preventing smuggling of arms, ammunition and anti-social elements. Close inter-state coordination was established, as required.

Strict vigil was maintained by police, thorough checking of lorries, light vehicles and all other vehicles, by setting up equipped interstate and intra State nakas, check posts at the borders, and through various SSTs, from the day of announcement of elections to ensure that no undesirable elements or arms and ammunition are being transported into the constituency from outside and to apprehend them and take appropriate action under law if they are doing so.

Section 135C of Representation of the People Act, 1951 provides that no spirituous, fermented or intoxicating liquor or other substances of like nature shall be sold, given or distributed at a hotel, eating house, tavern, shop or any other place, private or public, within a polling area during the period of 48 hours ending with the hour fixed for conclusion of poll for any election in the polling area. Therefore, order u/sec 144 was issued by both the district magistrates for declaring Dry days for the stipulated period for the poll areas. The day on which counting of votes was taken up, was also declared 'Dry Day'.

## 58,500 code violations flagged on cVigil app ahead of Lok Sabha polls

**Staff Reporter**  
Panaji

Flagging election code violations for the forthcoming Lok Sabha elections on May 7, is with a swipe of a finger now, with the state office of the Chief Electoral Officer (CEO), disclosing 81 complaints received on its c-Vigil app since the announcement of polls on March 16.

Of the complaints received, 73 were resolved and disposed within 100 minutes as promised by the app. Eight complaints took more than 100 minutes to solve, said a senior official.

He said that, 53 of the complaints were dismissed as it was not found to be suitable. Total 63 complaints were from north Goa and 18 from south Goa. The complaints

Aspect	Value
Total Complaints	58,500
Resolved within 100 mins	73
Complaints unresolved > 100 mins	8
Complaints dismissed	53
Complaints from North Goa	63
Complaints from South Goa	18

were received from March 16 to April 25.

The c-vigil app enables citizens to be vigilant and report model code of conduct violations and distribution of any kind of inducements to voters. It is a fast-track complaint reception and redressal system aimed at reducing campaign clutter," according to the Chief Election Commission.

The c-vigil app has to be downloaded from Google Play. The app can be installed on any Android smart phone. The uniqueness of the app is that it

only allows live photo/video with auto location capture from within the app to ensure digital evidence for flying squads to act upon in a time-bound manner.

As of March 29, a staggering 58,500 complaints have poured in nationwide through the app. These complaints primarily target illegal hoardings and banners, as well as the distribution of money, gifts, and liquor. Additionally, there are grievances related to the defacement of property among the reported issues.

## MEDIA

As one of the pillars of democracy, Media has always been an important ally of the Commission in election management. Considering the reach and impact of modern day media, it becomes inevitable to have a sustained communication with the Media. Since media is also one of the stakeholders in electoral process, its role in dissemination of information for free and fair elections in the country cannot be undermined.

### Media Monitoring

Media monitoring is an important aspect of perception management and keeping the Commission abreast with ongoing ground level activities and other important election related matters being reported in the media. The Commission has instructed that the office of Chief Electoral Officers of states and UTs to establish a Permanent Media Cell. One of the key tasks of the cell is to daily monitor relevant election related news from local media coverage. News of relevance should then be compiled and submitted with gist daily.

During elections, the media cell is further strengthened with infrastructure and manpower to monitor local and regional news channels for election management and probable violation monitoring. During all the General Elections, Electronic Media Monitoring Centre (EMMC) monitors all election management related news on national and regional news channels.

EMMC monitors all election management related news (important events/MCC violation/search and seizure etc.) on the day of poll and a day prior to that and submits two hourly reports to the Commission and concerned CEO office. On receiving the reports from EMMC, the Office of CEO ascertains status on the items on the report and file ATR/Status report within two hours/ before the generation of the next report to the Commission. Besides, the Office of CEO also intimates the action taken in the matter to the media. If the news item is not found correct, that particular media may be informed to issue rebuttal.

Analysis of Media Monitoring is done by ECI after each phase of the poll. Final analysis is done after the elections are over.

### Media Coverage during Elections

Although ECI does not regulate media, it has the role, responsibility & power to enforce the provisions of electoral laws & Court directions, which might have connection with media or certain aspects of media functioning.

ECI is mandated to conduct & complete free, fair, informed & ethical elections each and every time. To ensure the fact that electors should have all the necessary information about voting, right from enrolment process, necessary documents, poll day specific information, do's & don'ts at polling station, & most importantly provision where to find necessary information about the candidate based on which the elector is intending to cast his vote for, Commission runs extensive awareness campaigns through Print, electronic & Social Media besides issuing regular notifications to the offices of CEOs.

While making necessary information available for electors it is also important to let them have a time tranquil especially from the high end bombardment of political campaigns & non-objective media reporting for making an informed, ethical & influence free use of their Constitutional right. Here comes the provision of the Silence Period. Section 126 of R P Act, 1951, prohibits public meeting, display of any election matter publicly by means of cinematograph, television or other similar apparatus; in any polling area during the period of forty-eight hours ending with the hour fixed for the conclusion of the poll for any election in the polling area.

During elections, media organizations & various other agencies conduct surveys & make assumptions based on which they portray through Opinion poll & Exit Poll surveys. Section 126A of the R P Act, 1951, prohibits conduct of Exit Poll and dissemination of their results during the period mentioned therein, i.e. the hour fixed for commencement of poll in the first phase and half hour after the time fixed for close of poll for the last phase in all the States. Similarly, under Section 126(1)(b) of the Representation of the People Act, 1951, displaying any election matter including results of any opinion poll or any other poll survey, in any electronic media, is prohibited during the period of 48 hours ending with the hour fixed for conclusion of poll in the respective polling areas in each phase of the General election and bye elections.

### Media Certification and Monitoring Committees (MCMC)

The Hon'ble Supreme Court of India vide its order dated 13/04/2004, in SLP (Civil) No. 6679/2004 held that every registered National and State, political party and every contesting candidate proposing to issue advertisement on television channel and/or cable network will have to apply to Election Commission of India /Designated Officer (as Designated by the Election Commission) not later than three days prior to the date of proposed commencement of the telecast of such advertisement. In case of any other person or unregistered political parties, they will have to apply not later than seven days prior to the date of the telecast.

These directions are always applicable in the whole territory of India and not only during the period commencing from the date of announcement of election and till the completion of election process. This means the pre-certification of political advertisement is a year round activity.

Based on these directions of the Hon'ble Supreme Court of India, Election Commission has issued various guidelines/instructions on composition and role of Media Certification and Monitoring Committees (MCMC) at State and District levels.

### Pre-Certification of Political Advertisements

All political advertisement proposed to be issued on electronic media requires pre-certification from the MCMCs.

However this pre-certification is not mandatory to print media except on poll day and one day prior to poll day (pre-poll day).

Recently in the year 2015, Commission, in exercise of its power under Article 324 of the Constitution issued directions that no political advertisement would be published in print media on poll day and pre poll day without pre-certification of State/District MCMC. This has been done to avoid any offending or misleading political advertisements through Print Media in order not to vitiate the entire election process in the last stage of the elections.

### Media Certification and Monitoring Committees (MCMC)

Paid news disturbs level playing field in election and adversely affects free and fair poll by circumventing election expenditure laws and also causing undue influence on voters. Commission has accepted the definition of Paid News given by Press Council of India (PCI) which defines paid news as “Any news or analysis appearing in any media (print and electronic) for a price in cash or kind as consideration”.

The Commission has directed that maximum vigilance may be observed so that the incidence of ‘Paid News’ or surrogate advertisements in Print and Electronic media in the context of elections is arrested. The cases of ‘Paid News’ may generally manifest in the forms of news article/reports published about a particular candidate or a party eulogizing them, or similar news articles/reports denigrating the opponents, both intended at unduly influencing the voters. The same or similar type of news articles/reporting (with cosmetic modifications) appearing in more than one newspapers periodical would amount to further corroboration as circumstantial evidence that such news publication could result from collusion of the candidate/party with the publishers/editors/financers of the newspaper. Although, such cases have generally no transactional evidence of payment of consideration in cash or kind.

The practice of paid news has to be seen as an attempt to circumvent the provisions of sections 77 and 123 (6) of the R P Act, 1951 which prescribe accounting and ceiling of election expenses and make exceeding such prescribed limits a corrupt practice in elections.

During the Election period, no paid news reported by both the district and state level committee.

## Social Media

Social media refers to the means of interactions among people in which they create, share, and/or exchange information and ideas in virtual communities and networks. It differentiates from traditional/industrial media in many aspects such as quality, reach, frequency, usability, immediacy, and permanence. The prevalence of Web and social media has increased over the years and there have been demands from the political and social groups to regulate the social media during elections as other media is regulated.

With the increasing internet and smart phone penetration, the media landscape has seen a paradigm shift over the past few years. Social Media has now emerged as a powerful communication & campaigning medium for all stakeholders, now also referred to as the fifth pillar of democracy.

There are broadly five different types of social media:

- a) collaborative projects (for example, Wikipedia)
- b) blogs and micro blogs (for example, Twitter)
- c) content communities (for example, YouTube)
- d) social networking sites (for example, Facebook)
- e) virtual game-worlds (e.g., Apps)

Legal provisions relating to election campaigning apply to social media in the same manner in which they apply to any other form of election campaigning using any other media.

Candidates are required to file affidavits in Form-26 at the time of filing of nominations. E-mail ID and authentic social media accounts of candidates, if any, should be communicated to the Commission in this Form.

The Commission has a model code of conduct in place during the elections in respect of political parties and candidates which remain in force from the date the elections are announced by the Commission till the completion of elections. The provisions of model code of conduct and related instructions of the Commission issued from time to time shall also apply to the content being posted on the internet, including social media websites, by candidates and political parties.

Since social media websites are also electronic media by definition, therefore, these social media websites shall fall under the purview of pre-certification.

However, any political content in the form of messages/comments/photos/videos being posted/uploaded on the 'blogs/self accounts' on websites/social media websites will not be treated as political advertisement and therefore would not require pre-certification. Even if the same is posted/uploaded by political parties/candidates, it would not fall within the meaning political advertisement and would not be subject to directions/guidelines issued by the Commission.

Political advertisements issued in e-papers of any newspapers shall invariably require pre-certification by the concerned Committee.

### Fake News

Malicious and Fake News Campaigns have become an ever-alarming challenge in conducting free, fair, peaceful electoral processes. A number of cases/links/videos/posts/fake news etc. related to elections are either forwarded or noticed by the Commission during election and non-election period. Such news items have the potential to promote mistrust amongst various shareholders on the electoral process and in some cases even result in law-and-order issues. It disturbs the level playing field, polarizes public opinion and such disinformation campaigns may also lead to social discord.

## Steps Taken by CEO Office to tackle the Fake News

- Social Media Cell was created
- To be vigilant specially during the MCC period, the CEO Office backed on the watchdogs.
- The office appointed various watchdogs, including students from various colleges, media personnel, and citizens, who flagged suspicious news being shared on social media to the CEO Office team.
- The CEO website featured a fact-check page, maintaining records on the veracity of reported news, helping the public discern whether a certain piece of news was true or fake.
- Sensitization of all officials was carried out to ensure that no fake news was circulated. Officials were also encouraged to visit [factcheck.org](https://factcheck.org) to verify the authenticity of news.

## Generic Steps that can be taken to tackle Fake News

Combating fake news requires a multifaceted approach, including;

- Media literacy,
- Fact-checking movements,
- Preventive collaboration before significant events
- Technological solutions can further mitigate the impact of fake news.

## Conclusion

The Lok Sabha Elections 2024 were peaceful with no fake news being reported during the election period.

## Allotment of Broadcast Time to Political Parties

At the time of General Election to Lok Sabha, in February, 1998 the Election Commission of India had taken up a new initiative for state funding of recognized political parties, through free use of state-owned Television and Radio under directions of the Commission vide order No. ECI/GE98/437/MCS/98 dated 16th January, 1998.

With the amendment to the Representation of the People Act 1951, vide Election and Other Related Laws (Amendment) Act, 2003 and the rules notified there under, equitable time-sharing for campaigning by recognized political parties on electronic media now has statutory basis. In exercise of the powers conferred by clauses (a) of the section 39A of the R P Act, 1951, the Central Government has notified all such broadcasting media which are owned or controlled or financed wholly or substantially by funds provided to them by Central Government as the electronic media for the purpose of that section.

This facility is available only to 'National Parties' and 'Recognized State Parties' of the state concerned and not to registered-unrecognized political parties or any independent candidates. Under the scheme an equitable base time is allotted to each National Party and Recognized State Party of the state concerned uniformly on Doordarshan and All India Radio. The period of broadcast and telecast will be between the date of publication of the list of contesting candidates for the election and two days before the date of poll (in each phase).

Vide Order No. 437/TA-LA/1/2023/Communication dated 18th July, 2023, the Commission amended the existing scheme for the use of Government-owned electronic media by political parties by introducing a provision to issue digital time vouchers through an Information Technology (IT) platform. Distribution of time vouchers to political parties for use on All India Radio and Doordarshan during elections is now online. The introduction of an IT-based platform for the processing and distribution of time vouchers to entitled political parties allows for a more efficient and streamlined process, enhancing accessibility and ease of use for the political parties.

Time vouchers in denomination of 5 minutes and fraction of 4, 3, 2 & 1 minute(s) equal to the total time allotted will be issued digitally by the Election Commission of India (Headquarter) to each National and State party for telecasts over Doordarshan and broadcasts on All India Radio. This facility will allow the authorized representatives of Political Party where they can download the time vouchers directly, thereby removing the need to physically collect the vouchers from the ECI/CEO office. As an added facility, the digitized time vouchers will also be made available at the official email id of the political party, as provided to the Commission by the political party in advance. The authorized and secured login is to ensure that the time vouchers are downloaded and distributed to only the functionaries assigned by the political parties.

The digital time vouchers are QR coded and to be shown at the Doordarshan and AIR Kendra where the AIR/DD representative will scan the QR Code on the voucher through an app developed by ECI. A particular time voucher once utilized by the political party will be redeemed and cannot be used further.

Party shall have the discretion to choose any representatives and allow them to use those time vouchers, provided that no such individual representative shall be allowed to use more than 20 minutes of the total time allotted to that party, either on Doordarshan or on AIR. In a single session of broadcast/telecast no party will be allocated more than 15 minutes.

## BREAKING THE BARRIER - MAKING ELECTIONS ACCESSIBLE

### Action Plan for making Elections Accessible and Inclusive

In Goa all the polling stations are located at ground floor and ramps with proper gradient are provided for the convenience of differently abled electors and Senior Citizens with wheelchairs. Further, in order to provide targeted and need-based facilitation to differently-abled voters, Commission has directed that all Persons with Disabilities and Senior Citizens in an Assembly Constituency are identified and tagged to their respective Polling Stations and necessary disability-specific arrangements made for their smooth and convenient voting experience on poll day. Identified PwD and Senior Citizens electors will be assisted by volunteers appointed by RO/DEO. Special facilitation will be made for PwD and Senior Citizens electors at Polling Stations. Also, it has been directed that differently abled electors & Senior Citizens are given priority for entering polling booths, provision be made for designated parking spaces close to the entrance of polling station premise and special facilitation extended to electors with speech and hearing impairment. Special focus has been laid on sensitization of polling personnel regarding special needs of the differently abled electors.

The Commission has directed the Chief Electoral Officer (CEO) that there should be proper transport facility for PwD and Senior Citizens electors in each and every polling station on the day of poll. The PwD electors can request for wheelchair facility by registering on Saksham-ECI App. At the Polling Station, visually impaired persons can take a companion along with him/her to cast his/her vote on his/her behalf as provided in Rule 49 N of the Conduct of Election Rules, 1961. Besides, Dummy Ballot Sheets in Braille are available in Polling Stations. Any visually impaired voter can use this sheet and after studying content of this sheet can cast his/her vote on his/her own using Braille facility on Ballot Units of EVMs without any help from companion.

### Appointment of State/District Nodal Officer for Accessible Election

## PANAJI

Two Lok Sabha seats, 1,725 polling stations (booths), 5,000-odd police personnel and thousands more poll duty staff. The State's election machinery is all set and ready to make Tuesday's polling exercise a "free, fair and friendly" election even as Chief Electoral Officer Ramesh Verma said the voting percentage is likely to go up to 80 per cent.

"The voting turnout in 2019 Lok Sabha election in Goa was roughly 75 per cent which will be bettered this time with a target of at least 80 per cent", Verma said.

Verma also said they (poll machinery) is walking an extra mile to ensure that the process for voters to cast their votes in both North and South Goa constituency is least burdensome for the voter.

"We will provide coolers in as many polling stations as possible and arrangements are also being made for lemon juice and other refreshing drinks for voters between 9 am and 4 pm because of the heat conditions," Verma said.

He was co-addressing a press conference in Panaji along with the two collectors - Sneha Gite and Ashwin Chandru - who are the return-

## Foreign delegates, journalists to witness polling process in Goa

**PANAJI:** Representatives from Election Management Bodies of Bhutan and Mongolia, along with journalists from Bhutan and Israel and a Liaison Officer deputed by the Ministry of External Affairs (Ravinder Kumar, ASO), will be in Goa from May 5 to 8. Their visit aims to observe the pre-poll arrangements and the polling process for the elections to the Lok Sabha.

**EPIC PREFERRED:** The Election Commission of India has directed that all electors who have been issued EPIC are expected to produce the EPIC for their identification at the polling stations before casting their votes. Those electors who are not able to produce the EPIC shall produce alternative photo identity documents for establishing their identity.

ing officers for the North Goa and South Goa seats respectively and Inspector General of Police, Omvir Singh, IPS.

Verma said all the 1,725 booths are ready, polling staff will be moving in by tomorrow evening and as far as possible, a wheelchair each will be provided.

Gite said of the 863 polling stations in North Goa, two will be "unique polling stations": one is at the heritage Old GMC building in Ribandar and the second on an island in Cambarjua access to which is via two ferry boat rides. Gite also said, that tree planting drives will be carried out by the poll-

ing party around the polling stations, wherever it is feasible, when they arrive there tomorrow (Monday) itself.

Similarly, in South Goa five trees will be planted in each of the 862 polling stations, Chandru said.

Meanwhile, Verma said in addition to 'Pink Polling Stations' which will be managed by women these will also be eight polling stations manned by persons with disability (PwDs) as also some managed by 'youth. In all there will be 229 such special polling stations across the State. Some 80-odd of these will be eco-friendly.

## Just 3 of 31 MCC violation complaints pending redressal

**PANAJI:** Goa's Chief Electoral Officer Ramesh Verma, IAS said that 31 complaints of alleged violation of Model Code of Conduct were received till date and only three of these were pending redressal. Verma declined to get into details of these complaints including the nature of violations and what action was taken to redress them.

Verma also said those senior citizens, PwDs and various other categories of voters including poll duty staff who had registered for the 'absentee voting' facility (postal ballot) but missed the date will not be permitted to vote at polling stations on May 7.

"The EC rules and guidelines do not permit it. They will not be permitted to vote at polling booths on May 7," Verma said in response to a query whether senior citizens who possibly failed to register their vote when polling parties visited their homes will be permitted to vote like regular voters on May 7.

# Shripad's record sweep backed by BJP's organisational strength

Staff Reporter  
Panaji

The last time Congress won the North Goa seat was 26 years ago. In 1998, in an extremely intense contest, the present Agriculture Minister Ravi Naik had won the seat for the Congress in a nail-biting finish. He had wrested the seat, defeating Pundarik Barot of the BJP by just 417 votes. In the same election, the present Congress candidate, Ramakant Khalap, who was in the MGP then, lost by 6,666 votes.

Since then, with Union Minister Shripad Naik in the saddle, the BJP has represented the North Goa constituency for more than 25 years.

As expected, Naik set a new record, winning the seat for the sixth consecutive term in the 2024 Lok Sabha polls, this time with a margin of over 1,11,000 votes, his highest ever. His closest rival, Khalap of the Congress, polled 1,39,446 votes against his 2,56,799.

Naik had won the 2014 Lok Sabha election by an over-one lakh margin against his nearest rival, Ravi Naik of the Congress. It was a new high for Naik. Naik retained the seat in the last election by over 80,000 votes against Girish Chodankar of the Congress.

Not that the situation was all rosy for the BJP from the beginning. In fact, there was some anti-incumbency against Naik. There are no allegations against him. He is considered a good man, but he lacks the aggressiveness that drives politics. Sources say that initially the BJP was open to considering some options, and some defeated assembly candi-

dates announced that they were ready to contest the seat. However, the central leadership put a stop to it, and Naik was given the go-ahead.

On the other hand, Khalap lost the early bird advantage as Naik's candidature was officially or unofficially out more than 45 days before his. Also, Congress was disadvantaged by its weak organisation in North Goa.

It was clear in 2014 and 2019 how the Congress works, but there were no efforts for nearly a decade to rebuild the party, according to political analysts.

To make matters worse for the Congress, five MLAs elected on the party ticket in the 2022 assembly elections are with the BJP and this gave the BJP campaign a boost. In North Goa, which consists of 29 assembly constituencies, Congress has only one MLA, in Aldona. Tourism minister Ishma Khuram gave the highest lead of around 5,700 votes in Bandedztahika.

In the competition between Chief Minister Pramod Sawant and Health Minister Vishwajeet Rane, both worked hard for Naik, resulting in massive leads in Porim, Valpoi and Sankhali.

Congress, irrespective of whether it has a unit or not, gets support from the "silent voters," and this is probably what helped Khalap get a decent vote share. If his candidature had been declared much earlier, he could have done better, a political analyst said.

Khalap may have re-entered the political arena after nearly 17 years, but parts of Porim taluka,

where he was initiated into politics four decades ago, gave him a thumbs up. He polled 15,632 against Naik's 27,984. In 2019, the BJP's lead in the taluka was 19,684.

Khalap, who faced changes in the Mapusa Urban Cooperative Bank issue, managed to garner 57,195 votes in Banded. Congress suffered from poor poll management due to a lack of resources. Factionalism also went against Congress' interests. The BJP also faced factionalism, but their leaders had to work lest they face action after the elections. This fear was not a factor in the Congress camp.

The BJP didn't take any chances. Its election man-

agers had gauged that the picture was not all that rosy. The last time Naik faced a neck-and-neck contest was in 2009, when he defeated his nearest rival, Itendera Dosh-prabhu, by just 8,253 votes.

Understanding the anti-incumbency Naik had in face, the BJP sought votes in the name of Prime Minister Narendra Modi. Ahead of D-Day, the party brought in Home Minister Amit Shah to address a public rally in Mapusa.

The North Goa seat result was on expected lines, though the margin differed. Be that as it may, it is not going to be easy for any politician in the near future to break Naik's record.

# Congress snatches victory despite late start to campaign

Staff Reporter  
Margao

The South Goa victory showed the Congress that, irrespective of its MLA strength, it is viewed as the best alternative to the ruling BJP, said analysts.

The 2024 Lok Sabha election was a battle to redeem its lost pride. The party has been on the slide for quite some time.

In the February 2022 assembly election, it had a golden opportunity to return to power as the anti-incumbency was very high at the time. However, new parties that entered the fray split the vote, and this did not materialise.

Aid to make matters worse, eight of its 13 MLAs

joined the BJP in September 2022.

Against this backdrop, the May 7 parliamentary election was an opportunity for it to prove its strength and detractors wrong.

There are numerous reasons for the Congress victory. Viriato missed the early-bird advantage, but the support his campaign drew not just in Sakete but in Mormugao and the hinterland talukas surprised many. His controversial remarks on the Constitution of India also don't seem to have helped the BJP get the expected traction on the ground.

Fernandes, BJP candidate Palmit Dempo, Revolutionary Goans' Roberto Pereira, and most of the

other five were contesting the parliamentary polls for the first time.

Compared to the Congress, the BJP has a well-oiled machine—one has mastered the art of contesting elections. However, as in the case of 2019, the BJP was confident that the sailing would not be very tough. Their propaganda, according to an analyst, was not very different from 'India Shining' of 2004. The ground reality was, however, different from the rhetoric and was dominated by talk of high inflation, joblessness, abuse of power, corruption, and arrogance.

The ruling side has 15 MLAs on its side—12 BJP legislators, one MGP MLA (Power Minister Ramakrishna Sudin Dhammar), and two independents (Aletto Reginaldo Lourenco (Caracolim) and Antonio Vias (Dartolim)). On the other hand, Congress has only two MLAs in South Goa—opposition leader Yuri Alemao (Quercim) and Altona D Costa (Quepem). Five were elected in the 2022 assembly elections, but three—Digambar Kamat, Aletto Sequeira, and Sankalp Amorikar—joined the BJP in September of that year.

The INDIA alliance helped the Congress as it tied up with the AAP. Both the AAP MLAs—Venzy Vegas (Betalim) and Cruz Silva (Velim)—worked hard to secure a win for the alliance. The fifth MLA, who was a towering INDIA bloc personality at public meetings, was Vijai Sardesai.

Congress had no national leaders coming down to campaign for the candidates in Goa, while Prime Minister Narendra Modi addressed a massive meet-

ing in Sannozale, giving the BJP campaign a boost, and Home Minister Amit Shah addressed a meeting in Mapusa. The BJP put all its resources into South Goa.

Congress hardly had any organisation in the hinterland areas. However, some resentment against the ruling party helped the Congress garner stable votes. In the initial belt, the disenfranchisement and division in the ranks of STs favoured the Congress to some extent. Fernandes, as an individual, found huge support among NGOs and activists—his colleagues from his activist days before he accepted the Congress Dabholkar ticket for the 2022 polls.

Chief Minister Pramod Sawant, former chief minister Digambar Kamat, and state party president Sadasandil Shet Tansode, among others, worked hard, but the mood of the people outside Sakete was difficult to fathom, said an observer.

The Catholic-dominated Sakete voted for Congress, including those who had favoured the BJP in the last assembly polls. The BJP's efforts to garner huge leads in the hinterland and Mormugao talukas fell short in countering the Congress lead in Sakete. The BJP was expecting bigger margins in Quepem, Sengem, Sannozale, Ponda, Vasco, and Dabholim, among other assembly constituencies.

Were there some run-bings or compromises that hit the BJP prospects? These and more questions need to be discussed by the party's think tank and election managers. It's a big loss for the ruling party. For the Congress, it's a huge victory. A victory for its revival in Goa.
